## **Current Research and Consultancy Projects**

Morten is currently Senior Programme Coordinator with the Conflict, Security and Development Group (CSDG). He previously worked as an office administrator with special responsibility for

publications and public information at the Centre for Democracy & Development (CDD), an African-led NGO working on issues of democracy, development, and human and civil rights in West Africa. Morten Hagen is a Human Geographer with a Master in Social Sciences from the University of Oslo (1995) where he also studied political science. Before this he spent two years at one of the top business schools in Norway and two years in the Signal Corps of the Norwegian Army.
